

Hurricane Season Readiness Checklist

Tomlin Insurance Brokers · tomlinbrokers.com

Work through this before June. By the time a warning is issued, your cover is already set.

- ☐ Property sum insured reviewed against current rebuild costs
- ☐ Flood and storm surge confirmed as covered, not excluded
- ☐ Business interruption indemnity period matched to recovery time
- ☐ Extensions for denial of access and utility failure in place
- ☐ Asset register and valuations photographed and stored off-site
- ☐ Insurer notification deadlines after a storm understood
- ☐ Continuity plan documented and shared with key staff
- ☐ Tomlin contact details to hand for fast claim reporting
