

Marine Cover Review Checklist

Tomlin Insurance Brokers · tomlinbrokers.com

Confirm hull, cargo, and liability line up across your operation, with no gaps between them.

- ☐ Hull and machinery value reflects current replacement cost
- ☐ Cargo cover in place for every leg, including connecting land legs
- ☐ Protection and indemnity (P&I) cover for third-party liability
- ☐ Incoterms mapped so risk-bearing party is clear at each stage
- ☐ Crew and passenger liability scaled to the operation
- ☐ Collision and wreck-removal exposures accounted for
- ☐ Pollution liability reviewed against where you operate
- ☐ General average contribution covered under cargo
